ISO 26262

⇒ 14th to 16th September 2015, Stuttgart, Germany

Einsendeschluss für die
Vortragseinreichung ist der
10. April 2015

Speakers should submit
their applications by
10th April 2015

CALL FOR PAPERS

CHAIR: Prof. Dr Dr h.c. Manfred Broy, Ordinarius
Software & Systems Engineering, Technical
University Munich, Informatics Institute

ADVISORY BOARD:

Stefan Kriso, Head of Center of Competence
„Functional Safety“, Robert Bosch GmbH

Adam Schnellbach, Group Leader Functional
Safety, Magna Powertrain AG & Co KG

www.euroforum.de/iso-konferenz

Die ISO 26262 Konferenz in Stuttgart

Die ISO 26262 lässt einen breiten Interpretationsspielraum. Diese Tagung bietet Gelegenheit, Interpretationen und Umsetzungsbeispiele darzustellen und mit anderen Experten abzugleichen.

WARUM SIE SICH ALS REFERENT BEWERBEN SOLLTEN

Als Referent der EUROFORUM Jahrestagung ISO 26262 können Sie Teil eines ISO 26262 Expertennetzwerks werden. Als Referent der Tagung haben Sie die Möglichkeit, Ihre Änderungswünsche für die 2nd Edition der ISO 26262 darzustellen und dadurch implizit einen Einfluss auf die nächste Ausgabe der Norm zu haben. Diese Änderungsvorschläge können unmittelbar mit anderen Fachexperten diskutiert werden. Sie nehmen kostenlos an der gesamten Veranstaltung teil und haben die Möglichkeit, sich drei Tage intensiv fachlich auszutauschen. Sie erweitern auf diese Weise Ihr auf ISO 26262 ausgerichtetes Netzwerk und können bestehende Kontakte pflegen. Reisekosten und Honorar werden nicht übernommen.

Einreichungen bitte senden an:
elke.schneider@euroforum.com

WIE DIE VORTRÄGE AUSGESUCHT WERDEN, AUSWAHLVERFAHREN

Die Vorschläge werden von einem Expertenteam der Jahrestagung ausgesucht:

Prof. Dr. Dr. h.c. Manfred Broy, Ordinarius Software & Systems Engineering, Institut für Informatik, Technische Universität München
Stefan Kriso, Leiter, Center of Competence „Functional Safety“, Robert Bosch GmbH
Adam Schnellbach, Sachgebietsleiter Funktionale Sicherheit, Magna Powertrain AG & Co KG

About the ISO 26262 conference Stuttgart

ISO 26262 leaves plenty of room for interpretation and the conference will provide an opportunity for delegates to present and compare their own interpretations and concepts in the company of like-minded experts.

WHY YOU SHOULD APPLY AS A CONFERENCE SPEAKER

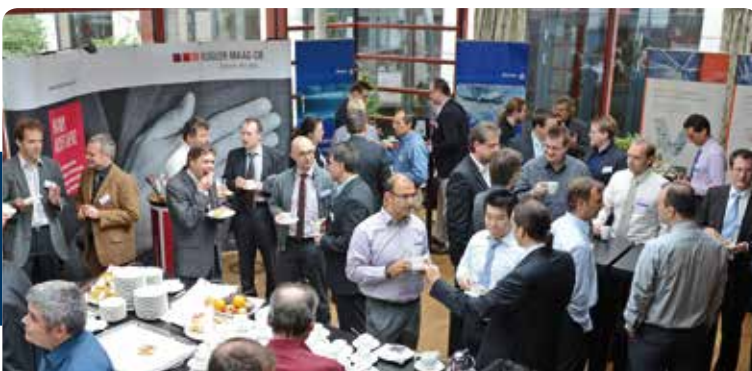

As a guest speaker at the EUROFORUM annual conference ISO 26262 you will become part of the ISO 26262 expert network. In addition you have the opportunity to present change requests to the 2nd edition of the ISO 26262 and to have implicitly an impact on the next version of the standard. These change proposals can be discussed immediately with other domain experts. You will be entitled to attend the event entirely free of charge and will have opportunities to exchange views and ideas with like-minded professionals over a 3-day period. This will allow you to expand your own ISO 26262 network and maintain and deepen existing business contacts. Please note that no travel costs or fees will be paid.

Please send your proposals to:
elke.schneider@euroforum.com

SELECTION PROCESS

The proposals will be examined and selected by a team of experts comprising the conference:

Prof. Dr Dr h.c. Manfred Broy, Department of Software & Systems Engineering, Faculty of Computer Science, Technical University Munich
Stefan Kriso, Head of Center of Competence “Functional Safety“, Robert Bosch GmbH
Adam Schnellbach, Group Leader Functional Safety, Magna Powertrain AG & Co KG

„Das Safety-Event im Jahr schlechthin: Informativ, große Themenvielfalt, zahlreiche Top-Experten, kurzweilig, interaktiv.“

Dr. Reinhold Hagel, Continental Engineering Services GmbH

WELCHE THEMEN SIE FÜR DIE KONFERENZ EINREICHEN KÖNNEN

Ziel der EUROFORUM Konferenz ISO 26262 ist es, Grundlagen und Umsetzungen auf allen ASIL-Stufen der Norm in der Praxis zu präsentieren. Dabei stehen im Vordergrund:

- Methodische Ansätze zur ISO 26262
- Erfolgreiche Umsetzung der ISO 26262 in der Praxis
- Identifizierte Herausforderungen bei der Einführung und Umsetzung der ISO 26262
- „Lessons learned“ (Do's and Don'ts) bei der Anwendung der ISO 26262
- Gleichzeitige Umsetzung der ISO 26262 und weiterer Normen und Standards
- Offene Fragestellungen, die die ISO 26262 heute noch nicht adressiert
- Fail operational Systeme
- Automatisiertes/Autonomes Fahren

Außerdem sind Erfahrungsberichte aus anderen Branchen willkommen, die bereits spezielle Normen zur funktionalen Sicherheit haben, wie zum Beispiel die Medizintechnik oder der Bereich Avionik.

BEDINGUNGEN FÜR DIE BEWERBUNG AUF EINEN BLICK

- Für den Vortrag stehen ca. 30 Minuten zur Verfügung
- Die Einreichung sollte einen Vortragstitel sowie vier Unterpunkte und einen kurzen beschreibenden Text umfassen
- Expertise des potenziellen Referenten
- Teilnahme ist für Referenten kostenlos
- Honorare, Übernachtungs- und Reisekosten werden nicht übernommen
- Vortragssprache: Deutsch oder Englisch
- Vorträge können von Firmenvertretern weltweit eingereicht werden

APPROPRIATE CONFERENCE TOPICS

The aim of the EUROFORUM conference ISO 26262 is to present the fundamental aspects and implementations of the standard at all ASIL stages. This will focus particularly on:

- Methodical approach to ISO 26262
- Successful implementation of ISO 26262 in practice
- Identified challenges to the introduction and implementation of ISO 26262
- 'Lessons learned' (dos and don'ts) in the application of ISO 26262
- Parallel implementation of ISO 26262 and other standards
- Questions that ISO 26262 has still not addressed
- Fail operational systems
- Automated/Autonomous driving

Field reports are also welcome from other sectors that already have specific standards on functional safety, such as medical technology and avionics.

PRESENTATION AND TIMEFRAME AT A GLANCE

- Each conference paper has been allocated a time-slot of about 30 minutes.
- The presentation proposal should take up at least one half (and at most one) A4 page.
- The proposal must have a title and four sub-points, along with a short explanation of the contents.
- It should also include a few sentences outlining what expertise the speaker and his/her company have in ISO 26262.
- The proposal must be in English
- Presentation language is German or English
- Translation will be provided into English
- Proposals may be submitted from any country.

“Good range of topics and quality of presentations; good possibility for networking.”

Werner Schauer, Vienna Institute for Safety & Systems Engineering

„Praxisnahe Darstellung, vielfältige Aspekte der ISO 26262.“

Volker Pitzal, Robert Bosch GmbH

Target audience

This annual conference is directed at a worldwide audience of board members, technical directors, senior managers, project heads and safety managers from the automobile and automotive parts industries as well as those in the electrical engineering and electronics sectors who are involved in automobile electronic manufacturing.

The target group will work in the following areas:

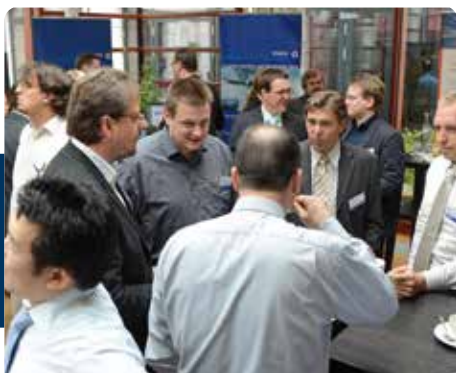

- Electrics and electronics
- Mechatronics
- Research and (pre-)development
- Engineering and design
- Technology
- Purchasing and procurement
- Sales and marketing
- After-market services
- System integration and automotive technology
- Application and system development
- Functional safety
- Quality
- Legal and compliance

The conference will also be of interest to:

- Development service providers
- Hardware and software providers
- System suppliers
- Engineering service providers
- Industry-oriented research establishments
- Testing and certification bodies

“Latest news for approaches about ISO 26262.”

Alexander Dobry,
Knorr-Bremse Systeme für Nutzfahrzeuge GmbH

Your personal registration code

By mail: **EUROFORUM Deutschland SE,**
P.O. Box 11 12 34, 40512 Duesseldorf, Germany
 By email: **registration@euroforum.com**
 By fax: **+49 (0)2 11/96 86-4040**
 By phone: **+49 (0)2 11/96 86-35 19 [Elke Schneider]**
 Internet: **www.euroforum.de/p1106823**

CONDITIONS OF PARTICIPATION. The attendance fee per person, which includes conference documentation, lunches, tea/coffee and evening dinner, is payable on receipt of the invoice. Once your registration has been received you will be sent a confirmation slip. Registrations can be cancelled (in writing please) free of charge up to 14 days before the event. When a cancellation is made within 14 days of the conference date, half the participation fee will be reimbursed. In the event of cancellation on the day of the conference, or failure to attend, the full fee will be payable. The registered delegate may of course send a substitute at no additional cost. The organisers reserve the right to amend the programme of events if necessary.

DATA PROTECTION. EUROFORUM Deutschland SE uses the data collected in connection with your order and use of our services and products within the applicable legal limits for the purpose of performing our services, and to provide you with information by post and e-mail about further offers by us, companies of our Group or co-operation partners, which are similar to the services of which you availed yourself previously. If, during the use of the data, it is transmitted to countries lacking an adequate level of data protection, we will create sufficient guarantees to protect the data. Furthermore, we will use your data if you have given us your consent to do so. You may object to the use of your data for advertising purposes or to being contacted by email or fax at any time by contacting EUROFORUM Deutschland SE, Postfach 11 12 34, 40512 Düsseldorf, Germany. Our customer services (Phone: +49 (0)2 11.96 86-33 33) shall be pleased to accept requests for changes.

YOUR ROOM RESERVATION. In the conference hotel, there is a limited allocation of rooms available at a reduced price. Please arrange the room reservation directly with the hotel quoting the reference "EUROFORUM event".

At the first evening of the conference, the Parkhotel Stuttgart Messe-Airport invites you to a welcome drink.
